Late Mowing the Wildflower Areas

The mild autumn has meant that a second cut of the wildflower areas has been long delayed and is almost complete, but rain has slowed completion. If the grass keeps growing, we may need yet another cut!

Marton Community Network – We can still help!

As many of you are aware, before lockdown started a small group representing the Parish Council, Church and Village Hall met to discuss how to support the Marton community. We all believe it's beneficial to work together and support each other.

So if you need some help with:

- **Picking up shopping or prescriptions**
- **Posting mail**
- **A friendly phone call**
- **Urgent supplies**
- **Transport to a medical appointment...or just a lift to the shops**

Please make contact with either:

Helen on: 07793 213048 or Helen.Keeves@hotmail.co.uk
or Rob on: 07764 377163 or lummisrob@gmail.com

Please don't be afraid to ask!

We will be happy to arrange for you to receive the help you need. Please remember you should only accept help from people you know and trust - always ring for clarification if you are not sure.

A big thank you: to all the wonderful volunteers who continue to support the Marton Community with offers of help!

Thanks for reading, please take care and stay safe.

Rob (Marton Parish Council)

Marton Poppy Day

The Marton Poppy Trail

You may remember the beautiful Armistice display of poppies set up at the village hall last November by Dy Hewett, along with Cate Cooke`s churchyard array.

This year Dy has received so many crafted poppies that we thought we would involve the Art and Craft groups to help build a Poppy Trail from the main road to the church, the memorial hall, and Church Street.

Do make sure that you take a walk in that direction, have a look in the church, the street and also, if the hall is open, a small exhibition to celebrate the lives lost in WW1. We have invited a contingent from Galanos to follow the trail and join the Thursday afternoon tea in the hall on 12 November. Poppies will be available from a donation box in the church or hall.

The Origins

As a biologist and someone who loves using the poppy images in all forms of Art and Craft, they are of year-round interest, not just as an appropriate symbol of remembrance, adopted by the Royal British Legion and other organisations, to mark the sacrifice made by individuals at a time of conflict. Poppies have been used since Pagan times for their very important medicinal properties and as a symbol of sleep and peace.

There are many different species of poppies from the wildflowers in fields and hedgerows to the highly developed garden varieties. The field poppy is one of the plainest; far showier are the blooms of pink, white, purple opium poppies. Far more spectacular are the blue Himalayan, white tree poppy

Marton Poppy Day

The Origins

and the large garden oriental poppy. Don`t forget the yellow Welsh and Californian poppies; get your seed packets ready.

You probably all know that the churned-up war-torn Flanders landscape became covered by a crop of field poppies in WW1. The red of the petals looked like the shed blood of soldiers.

This was no supernatural event but the very small seeds of poppies being brought to the surface and then getting the light needed to break dormancy and start germination. Growth was enhanced by the nitrogen available from chemical explosives.

In Flanders Fields the poppies blow,

Between the crosses row on row.

John McCrae

This is a great example of the power of nature taking advantage of changed environmental conditions despite man`s activities.

Some people have issues regarding using the red poppy as a glorification of war; why not see it as a symbol of new life. The white poppy indicates peace and reconciliation. The purple poppy is a symbol for all those animals used in warfare; pigeons, dogs and horses, remember the warhorse! The black poppy has been adopted by Afro-Caribbean nations to mark the contribution of black members of the empire who fought alongside the troops.

Some Australians and all New Zealanders use the red poppy symbol for Anzac Day in April.

Joan

Marton Poppy Day

Recipe for Anzac (Digger) Biscuit

In Australia and New Zealand Poppy Day is celebrated in April to coincide with the anniversary of the 1915 landings of the Australian and New Zealand Army Corps (ANZAC) at Gallipoli, Turkey. While New Zealanders wear the poppy, in Australia the rosemary is the traditional emblem (as it grew wild on the Gallipoli peninsula).

The ANZAC biscuits were based on an eggless recipe, as eggs were scarce in wartime:

5oz soft margarine, 6oz granulated sugar, 1 tablespoon golden syrup. Melt together.

Add 3oz self-raising flour, 3oz desiccated coconut, 4oz porridge oats.

Stir and spoon onto greased baking tray - should make about 40.

Bake at 180C for 8-10 minutes; should be lightly browned. Leave for a minute then put on a cooling tray. If they stick, reheat for a minute.

Pig Club Opens

Marton Pig Club 2027

We are looking for expressions of interest for next year's Pig Club! We realise that previous members will still have a freezer full of delicious pork, but we will need to make a decision in December if we want more piglets next year.

For those unfamiliar with the pig club activity, this involves taking piglets at 10 weeks old and raising them until they are approximately 6 months old. Before the piglets arrive, we arrange a couple of weekend mornings when members volunteer to help with any necessary repairs to the pig hut, fencing and other general maintenance.

Once the pigs arrive, we have a rota system for feeding, watering, welfare and field security checks, and generally enjoying seeing our charges grow in a happy, healthy environment.

We are sure that those involved in previous years will agree that pig club is fun and enjoyable, as the pigs are fascinating, inquisitive, docile, family-friendly and cute!

As a guide, membership cost in 2026 was £185 per half a pig, including basic butchery, based on rearing 7 pigs. There are a few fixed costs, so we won't have a definite figure until we know how many people are joining in - so the more the merrier! We will also need to build in an allowance for higher feed costs this year, but we still anticipate that half a pig will be under £200.

Apart from payment, you commit to feeding and checking the animals' welfare before 9 a.m. on the dates allocated and agreed on

the rota. If you have half a pig, this works out to be roughly one visit every fortnight (or more frequently if you have a whole pig).

If you would like to take part or just find out more, please send your contact details, together with an indication of whether you would like a half or whole pig, to:

sausages.marton@gmail.com

We look forward to hearing from you by 30 November at the latest, please, so that we can order the piglets in good time.

Race Night

Riotous Marton Horse Race Night

After past race nights that featured pigs and dogs, the Marton Playing Fields Committee organised a more traditional horse racing evening. Everyone enjoyed a riotous night on Saturday 17 October in the village hall.

Minimum bets of £1 were placed on any of eight horses that featured in a series of eight races through the evening.

Betting became more frantic as the evening wore on, as more alcohol was consumed and spectators' enthusiasm mounted. Fortunately, there was a break for Mary and Bernie's welcome, quality food, which temporarily calmed the punters' exuberance.

Quality prizes were awarded to the dog sponsors and the

many raffle winners.

The evening's activities were kept moving by Dinyar, who mastered the challenging technology and the complexities of setting the odds for the winning dogs - a very commendable all-round performance.

Dinyar had been working on organising the event for some time. The event was another fundraising activity to meet the costs of the final stage of Pavilion redevelopment - the creation of a terraced area facing the field. Given the tremendous improvements of the last few years, it will be the icing on the Pavilion cake.

The generous Marton punters looked to have emptied their wallets/purses, contributing more than £1,000 to the development work! Hopefully this generosity will be rewarded by being able to enjoy a new terraced area in the near future - £15,000 is all it needs!.

Booking the Hall

Village Hall News

Some eagle-eyed readers may have noticed a QR code appear amongst the village contact details on the inside back cover of the newsletter. We introduced the trial last month with David's help to see whether we could squeeze a workable code onto the page. Having seen it "for real", it looks like it works and could be something useful!

This is a new feature we have introduced to help hirers book the village hall. Scanning the link will take you to the online booking form (which, did you know, has been there for a while?).

There is also a shortened and, hopefully, memorable URL which will take you to the same form:
https://tinyurl.com/MWMHBooking

Type this (you can use all lower case letters) into the address bar in your favourite browser and start filling in the village hall booking form!

The form works on phones, tablets and desktop computers. It asks you for all the information that we need to know in order to confirm your booking request, meaning nothing should be forgotten and have to be asked for later.

A link to the online booking form is also available via the village hall Bookings page on the Marton Village website:

https://martonvillage.com/
—> Village Hall —> Booking

or directly at:

https://martonvillage.com/?cat=18

There, you will find our public-facing bookings diary, details of the facilities available and our current hire rates.

Registered Charity No. 522965

Thank you for your interest in our Village Hall. For a description of the hall and its facilities, including our prices, please navigate to the "Village Hall" -> "Booking" page on the Marton Village website.

To progress your booking, please let us have the details of your event by completing and submitting this form. It contains a link to our Terms & Conditions of hire, which we ask you to read and accept. In particular, for the benefit of our neighbours and other users of the hall, please note the sections relating to a) visitor parking and b) the cleanliness of the hall when you arrive and leave.

Once you have submitted the completed form, the Booking Secretary will contact you to confirm the reservation, and the Treasurer will issue an invoice.

We look forward to hearing from you, but if you have any questions, please do not hesitate to contact the Booking Secretary at villagehall.marton@gmail.com

Marton Garage Update

The golden leaves are falling, and the autumn chill is settling in.

It's turned out to be a bit of whirlwind for us at Marton Garage. The workshop has been packed with MoT's (as I'm writing this, we've just completed our 10th MoT of the day!). Annual servicing, brake replacements, and battery checks have been in abundance as everyone gets their vehicles ready for the changing conditions.

With autumn in full swing, expect unpredictable weather, slippery leaf-strewn roads, and much darker commutes. Now would be a great time to check you have some emergency supplies/ tools in your vehicle(s). As a minimum I'd recommend carrying; tyre inflator, hi-vis vest, something warm (a blanket, coat etc), drinking water, sugary/protein snack, de-icer, ice scraper, torch and check you have a warning triangle. Further items include; jump leads or battery starter pack, power bank, first aid kit etc.

I'm offering free winter health checks for Marton residents – For peace of mind. If you want a quick check for your vehicle, contact me, I'm here to assist where possible.

Remember, we work on an appointment-based diary here at Marton Garage. A few people ask why I'm not here doing something in the downtime; there's only so much I can do here without having a customer's vehicle to work on. Once my blood stops pumping, it gets very cold– solid walls and no heating!

If your MoT or annual service is due soon, please reach out so we can get you booked in.

A little update to say my surgery all went to plan, I'm taking things steady but recovering well. Thank you for your kind words,

messages and for checking in on me. It really does mean a lot and certainly doesn't go unnoticed.

On a further note, I know I run Marton Garage but if you ever need something else (carrying something heavy etc), give me a call, happy to help. Kindness costs nothing.

Thank you, best wishes and stay warm!

No More Motorcycle Scrambling at Marton
COVENTRY EVENING TELEGRAPH 9 June 1934

A deep depression from Marton has descended upon the Coventry Ace Motor Club.

Just as its sporting "scramble" course between Marton and Princethorpe (*i.e. Hill on the right side when leaving Marton*) was beginning to become a highly attractive motor cycling venue, residents in the locality have raised the "Sunday Bar", and despite the marked persuasions of the Club's officials, they have found themselves compelled to abandon all Sabbath Day fixtures. It was for this reason that the Club held a mid-week meeting on Thursday, but it was not so well supported. The Club now proposes to hold its races on Thursday and Saturday evenings.

St Esprit Church in Marton

You are always welcome to St Esprit Church Marton. Below are the services currently planned, please also see St. Esprit Church, Marton - A Church Near You, Marton WhatsApp/email/Facebook or the church noticeboard for confirmed details. Please contact us in person or by email (StEspritMarton@gmail.com) with any queries or if you want to be included on our Church mailing list (email or posted).

Although we do not have a Priest-in-Charge at this time, we are being supported at this time by Rev Jonathan Hearn - he is helping with services, home visits/communions, funerals, weddings, baptisms and presiding at our Communion Services. If you would like to discuss any pastoral needs or concerns, please contact Jenny Walsh confidentially on 07940236628, the PCC via StEspritMarton@gmail.com or in person with any members of the PCC. The church is always open, with the bookshelves well populated and meditation/prayer spaces; please take time to enjoy.

CHURCH SERVICES – all are very welcome to every service; we will be joined by clergy friends of St Esprit for Holy Communion.

- Sunday 1 November – Holy Communion service, join us from 10.15am for a cuppa and cake to start at 10.30am.
- Sunday 1 November – In The Spirit, a Deanery wide contemporary lay led service starting worship at 6.30pm and refreshments at 6.00pm.
- Sunday 8 November – Remembrance at the Long Itchington Memorial (or in Holy Trinity if wet) starting at 10.30am.
- Sunday 15 November – Holy
